Requirement 3.1.4 data reporting for banana companies

Dear Fairtrade banana producers,

The Standards and Pricing unit informs you that the data reporting period for the requirement 3.1.4 of the Fairtrade Fresh Fruit Standard is now open.

Both the form for reporting requirement 3.1.4 ("[form 3.1.4](#)" for short) and the [explanatory note](#) have been revised and simplified as much as possible.

To comply with this requirement, it is necessary to submit the completed form 3.1.4 every year. The deadline for submission is 31 December 2026. However, we encourage you to submit it by **16 May 2026** to have your input considered in the calculation of the Fairtrade Minimum Price and the Living Wage Differential.

If you have any questions, please contact us at freshfruit314reporting@fairtrade.net.

Best regards,

Standards and Pricing Unit
