

TEA LOVERS UNITE

**EVERY DAY, TEA BRINGS US TOGETHER.
IT GIVES US COMFORT.
A MOMENT TO REST AND REVIVE.**

But right now, the global tea trade doesn't work in favour of the people who grow and pick the leaves behind our brews.

All of us – tea drinkers, businesses and the UK government – have the power to change this. So that growers and pickers can support themselves and their families, protect the environment and see their communities thrive.

SIGN THE PETITION.

Ask the government to stand with the people behind the tea we drink.
